## S33A2-6030CT

60 in x 30 in x 15 in ( $1525 \mathrm{~mm} \times 760 \mathrm{~mm} \times 380 \mathrm{~mm}$ )

## FEATURES

- Durable high gloss finish
- Pre-Leveled base
- Left, right drain
- Slip resistant, textured bottom
- Available in White
- 15-year residential limited warranty

## What is $\mathbf{A}^{2}$ Composite?

Lightweight and durable, our $\mathrm{A}^{2}$ Composite is an engineered compound of resin, glass and special fillers formed into sheets. These sheets are then placed under high pressure and heat to liquefy the compound, allowing it to flow and take the shape of almost any form imaginable. The results are simple, stylish and a snap to install.
