

A² COMPOSITE TUB **TECHNICAL SPECIFICATIONS**

S33A2-6036CTM 60 in x 36 in x 21 in (1525 mm x 915 mm x 530 mm)

FEATURES

- Above Floor Rough (AFR)
- Durable high gloss finish
- Pre-leveled base
- Left, right drain
- Slip resistant, textured bottom
- Available in White
- 15-year residential limited warranty

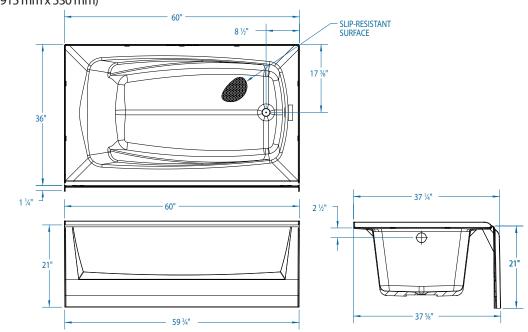

What is A² Composite?

Lightweight and durable, our A² Composite is an engineered compound of resin, glass and special fillers formed into sheets. These sheets are then placed under high pressure and heat to liquefy the compound, allowing it to flow and take the shape of almost any form imaginable. The results are simple, stylish and a snap to install.

S33A2-6036CTM 60 in x 36 in x 21 in (1525 mm x 915 mm x 530 mm)

FEATURES Dimensional Tolerance ± 3/". Dimensions needed for site preparation should be measured from the unit. Stream33 assumes no responsibility for preparatory work.
