## FEATURES

- Use Lift and Turn Drain with S33SLWRK100 Rough-In Kit (sold separately)
- Lock-in-place faceplate prevents loosening of overflow and retainer nut
- Overflow test cap prevents installation of faceplate without removal of testing device
- Unique oversized cartridge does not reduce drain flow rate
- No re-test required to test drain
- Eliminates changing out strainer body for special finish applications and prevents cross threading
- Testable up to 4 floors
- Less tee and pipe
- Includes test plug and cap
- Meets or Exceeds the Following:
  - cUPC

## WARRANTY

1-year warranty
